Parkway Crossing: *Have your say!*

Local residents have contacted County Councillor Paul Hopfensperger, and Town Council candidate Richard Rout, voicing their concerns over the new pedestrian crossing on Parkway.

The crossing has replaced the one that used to be adjacent to Kings Road. Both Paul and Richard have seen members of the public running across Parkway in order to avoid walking down to the new crossing. *There have even been reports of one young woman lifting her child and pushchair over the crash barriers to cross nearer to Kings Road!*

Paul said "Local people are obviously concerned. Richard and I have seen first hand the risks people are taking to avoid using the new crossing."

Conservative Town Council candidate Richard Rout commented "We need to listen to the views of residents. If safety is being compromised then something has to be done. That is why we are conducting this survey."

"I look forward to working with him on behalf of all the people in Abbeygate."
